

GULBARGA  UNIVERSITY

Department of Post Graduate Studies and Research in Materials Science

JNANA GANGA, KALABURAGI – 585106, KARNATAKA, INDIA

Date: 15/02/2017

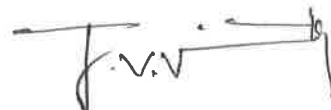

TESTIMONIAL

Funds sanctioned under RUSA to our University are very much useful to all the research scholars in the campus.

This has helped us to use the scientific equipment required for our research purpose. E-resources are of immense help for collection of research related literature.

The data analysis and interpretation of graphs has become easy with the essential research tools and techniques.

The repairs and proper maintenance of the department building have created studios atmosphere in the campus.

J. Venkata Viswanath

TESTIMONIAL

MHRD has been magnanimous in granting RUSA fund to Gulbarga University. It is an important grant to University. This was helpful in development of infrastructure in the Departments in particular as well as the University campus in general. The grant is used for major works like repair and maintenance of Department buildings, purchase of scientific equipment's, basic facilities on the campus, books and journals and E-resources. Our University is procuring Scientific Equipment, Sports Equipment and establishing ICT Initiatives. The grant for each item is utilized judiciously for the purpose it is earmarked.

Hence this Testimonial.
